BERT LEGG IS APPOINTED DEPUTY CHAIRMAN OF INCORPORATION GROUP

L. W. Harmon announced the appointment of Bert Legg to the post of deputy chairman of the committee for Campbell incorporation this week. Harmon stated that illness in his family might force him to curtail his activities in the committee for a short time and that he had authorized Legg to perform any duties which pertain to the general chairmanship of the committee.

Harmon has been general chairman of the committee since its formation early this summer. He announced that he had chosen Legg to fill in for him because he had watched his excellent work on the general committee and as a member of the petition subcommittee.

Legg stated that he would appreciate any cooperation which might be extended him by members of the committee and by the public at large. "We will endeavor to answer any questions brought to the committee's attention," he said. "I feel that I am following a most capable man and I will do my best to measure up to his record," he added.

Legg has been a resident of Campbell for approximately four years and at present resides on Alice Way with his wife and daughter who is attending Campbell High school. He also owns additional property within the boundaries of the proposed city. He is a member of the Footlighters drama group and is employed by Richmond Chase as industrial relations manager in San Jose.

Legg stated that he favored incorporation because he believed that the growth of the community made it the only feasible move for greater protection and unity.

Intelligence Test; Chicken Versus Man

Did you ever try to outwit a chicken? Clarence and Milton Nelson, proprietors of Nelson Feed and Supply Co., will prove that chickens are smarter than humans in a demonstration sponsored by General Mills Co., tomorrow at the Campbell store. Educated chickens will add, subtract, extract square root, outwit a shell game operator, and beat any man in the audience at stud poker. The demonstration is open to the public and refreshments will be available.

LAST RITES FOR GEORGE TUTT

Services were held Thursday afternoon for George E. Tutt, 72, a long-time resident of Santa Clara County and Campbell, who died suddenly at his Apricot Ave. home Tuesday night. A native of Canada, he was known and loved by children throughout the area for his yearly portrayals of Santa Claus throughout schools, and various other groups during the Christmas season. This year would have been his twenty-fifth consecutive appearance at the Stanford Convalescent Home in his role of St. Nicholas.

He was a charter member and founder of the Sojourners Club of Charity Lodge, Campbell and was instrumental in securing the services of the Cambrian Fire Department for this area. Active in civic and lodge affairs, he was respected by neighbors and friends for his counsel and advice.

Tutt came to Santa Clara County from Canada 25 years ago at which time he was employed as a dental technician in San Jose. He moved to his Apricot Ave. residence 11 years ago where he continued his duties on a reduced basis in his own dental laboratory.

Tutt was a member of Campbell Chapter No. 553, OES; San Jose Lodge No. 10, F&AM; Sciots Pyramid No. 9; Los Gatos Rotary Club and Sojourners Club of Charity Lodge, Campbell.

He was the husband of Mrs. Ellen Tutt, father of Mrs. Margaret Sherriffs of Watsonville, and brother of Mrs. Olive Greenfield, of Canada.

Resident Tells Supervisors Of Bad Storm Drain

The Santa Clara County board of supervisors received a complaint from Mrs. Amye Roberts of 796 Erin Way on Monday charging that the county engineer had failed to take action on storm waters overflowing Casey Road near her home. Roberts stated that she had appeared before the board two years ago with the same complaint but that the board had failed to take action concerning the matter.

County Engineer Robert B. Chandler explained that funds were budgeted for a Casey Road storm drain but stated that work has been postponed in hopes that arrangements can be made with subdividers in the area which would shorten the length of drain needed by 50 percent.

The supervisors told Mrs. Roberts that the Casey Road storm drain would be installed as soon as possible.

Local Men Are Acquitted Of Marijuana Charge

Two Campbell men accused of growing marijuana, Ernest L. Caballero, 41, and Eulalio Gonzales, 37, were acquited by a Superior Court jury this week. The men, charged with growing the plants in a corn field on the San Jose-Los Gatos Road where they worked, told the court that the marijuana "just grew there".

The plants were discovered last July by officers from the sheriff's department and State Narcotic Inspector Leo Rice. Rice stated that one of the defendants denied knowing what kind of a plant it was. The other knew, but neither one of them could explain how it happened to be growing in the corn field.

SANTA CLAUS VISITS GRANGE PARTY HERE

A visit from Santa Claus, portrayed by J. C. Gordon, was the featured event of the Dec. 11 Christmas party of the Orchard City Grange held in the Odd Fellows' Hall in Campbell. Santa Claus arrived during the party and presented gifts to children attending the event. A community sing was led by W. W. Johnson and a popular piano solo by Robert McKenzie followed. A marimba solo by Miss Lois Wileman and a vocal entertainment included a ballet and acrobatics by Arline Cook of San Francisco, niece of Mrs. Josephine Biller. Christmas poems by Mrs. Nellie Skillman and by Mrs. Clara Baldwin were also read. Rev. Edwin Bowling gave a Christmas message on the Christmas story as portrayed in the Bible.

Program committee under the direction of Sarah Blue included Rev. Edwin Bowling and Mrs. Ora Lear.

During the business meeting prior to the party, two new member candidates were voted into the organization. Birthday honors were also presented to the only living charter members of the Orchard City Grange, Mrs. Jessie Campbell and Mrs. Charlotte Sutter.

A meeting of the home economics group will be held at the home of Mrs. Willie Windrum in Santa Clara tonight while an installation of Pomona Grange officers and subordinate Granges in the northern portion of the county will be held in Sunnyvale on January 19.

GEORGE WHIPPLE CELEBRATES 90TH BIRTHDAY

George A. Whipple of McGlincey Lane celebrated his ninetieth birthday at this home recently. During the evening Mrs. E. Gallagher served a dinner in honor of Mr Whipple.

The wealthy and royal citizens of Trasland, Nora Stewart, Bob Dalzell, Carol Shrader and Herold De Bois listen anxiously to see if their gifts will ring the heavenly chimes while peasant Jerry Williams places his gift on the altar of priest Dick Gleed in a scene from the high school production of "Why the Chimes Rang," to be presented at the high school next Tuesday and Wednesday nights.

High School Ready For Production Of Christmas Program Next Week

Students and instructors at Campbell Union High School will join in the Christmas spirit with the production of the school's community Christmas program on December 18 and 19 at 8 p.m. in the school auditorium. First performance of the program will be given for children of the community and the second performance, on December 19, will be open to all members of the area. No charge is being made for the program which is labeled as the school's Christmas gift to the community.

The production will be divided into two parts with the first section consistin gof musical arrangements utilizing the services of the high school choir and the orchestra. Second part of the program will be a presentation of a play entitled "Why The Chimes Rang." Story of the play concerns a church whose steeple is so high that no one has seen the bells. A prophecy is made that the chimes will ring when the perfect gift is given to God. Plot revolves around the gifts made.

Ken Wallace, director of the play, stated that the production will involve the use of new lighting effects and techniques.

Laurance J. Hill, district superintendent, emphasized the fact that the students and instructors are giving their time and that no charge is being made for the program. "I think that this production expresses the feeling of educators of their responsibility toward the community in preserving the American customs and both the faculty and the students involved in its production have caught the Christmas Spirit from what we call our gift to the community. The public must realize," he continued, "that the schools are an agent of the community, and, as such, are taking this opportunity to enter into the Christmas spirit."

35 BUSINESS WOMEN ATTEND XMAS PROGRAM

Thirty-five members of the Campbell Business & Professional Women gathered at the home of past president Cecile Schad for their traditional turkey dinner and awarding of the bride doll.

Decorations were in the traditional holiday theme. Pine boughs, candles, novel crystal snowflakes ornamented the rooms. Carols were sung before an open fire place by the members.

Guests of the evening included Mrs. John Kay, mother of Marilyn Kay, and Dorothy Joyce, cousin of Dorothy Ellis, president of the group. Miss Joyce is leaving for the islands to make her home.

Dinner was served on small tables throughout the room. Candlelight and pine boughs decorated the tables.

The highlight of the evening, long awaited by all, was the awarding of the bride doll which has become a tradition with the business women. The proceeds each year go to buy the little extras for the Christmas baskets filled by the donations brought to the party by the members. There will be two little girls made a little happier this Christmas season by the lovely doll won by their mother, Mrs. Donna Vosti. The little girls are Leslie and Sharon Vosti, of Campbell.

Games played throughout the evening were under the direction of Alma Fanning who once again showed originality in her selections. Walking a straight line looking through the opposite ends of opera glasses stumped all but three of the members present. Mae Brand walked off with the first prize with Blanche Gilpatrick and Viola Krug coming second and third respectively.

Committee in charge of the dinner was Alice Schmidt, Hannah Berglund, and Ellen Lanphear; decorations were under the direction of Mae Brand and Diana Payne. Clean up under the direction of Mickey Mirrossou.

Plans are under way to get the Christmas baskets to the needy families next week. Lucille Barnes and Alma Fanning will be in charge of distribution.

Christmas Ball

Plans are progressing for the Christmas Ball for the Peninsula Car Club to be held on the evening of December 22 at Bohnett's Hillsdale Farm according to a statement released this week by Spokesman John Ridgely of Campbell. Ridgely stated that Allen Gray's orchestra will provide the music for the group and that additional entertainment would be provided. Refreshments will be available to those attending.

Congressman Anderson To Retire; W. S. Pfeifle To Run For Post

William S. Pfeifle, Chairman of the Board of Supervisors of Santa Clara County, yesterday announced his candidacy for election to the Congressional seat to be vacated by Jack Z. Anderson, who has represented the Eighth Congressional District in Congress these past 13 years.

Following Anderson's statemen which was released Thursday announcing his retirement from public service upon the completion of his present term, strong party groups from Santa Clara, San Benito, and Santa Cruz counties—including such original Anderson sponsors as Arthur C. Carmichael, San Jose; Wayne Hutchins, San Jose; Derrol Chace, San Jose; Elmer Weymouth, Gilroy; William C. Treyer, Santa Cruz; Worth Brown, Capitola; and Joseph Gabriel of Hollister—met with and urged Pfeifle's immediate announcement.

While retirement rumors have been prevalent for some months—it was not until Anderson officially announced his retirement yesterday that Pfeifle made the decision to run for election to Congress. It was therefore impossible from a time standpoint for Pfeifle to prepare a detailed statement however, his response to the overwhelming desire of hundreds of leaders and friends throughout the three counties brought forth this statement for publication:

"It is gratifying to me to have had leading citizens of the three counties, comprising the new Tenth Congressional District, urge me to run for election to succeed Congressman Jack Z. Anderson. I shall do so and if successful will endeavor to serve the district in the best possible manner.

A detailed announcement of Pfeifle's candidacy will be issued within twenty-four hours.

William (Bill) S. Pfeifle is the grandson of Frederick Pfeifle who came to Santa Clara County in 1849 and is the son of the late Walter C. Pfeifle—well known resident of Santa Clara County who served as Supervisor from the 2nd Supervisorial District of Santa Clara County for over ten years. After graduation from the public schools in San Jose he entered the University of California at Berkeley—majored in economics and political science—graduating in 1940. Upon graduation he entered the service of his country. Enlisting in the United States Marine Corps, Oct. 1941 as a private, he received honorable discharge with the rank of Captain five years later in 1946 after service in the South Pacific in such combat areas at Guadalcanal, Bougainville, Guam, etc. During his five year service, Pfeifle was promoted through the ranks from Private to Captain.

Upon his return to civilian life following the death of his father, he ran for the office of Supervisor of the 2nd District of Santa Clara County in Nov. 1948—elected to that office by an overwhelming majority and was elected Chairman of that Board Jan. 1951.

William Pfeifle resides with his family, Virginia A. Pfeifle and two daughters Sharon and Martha at 14030 Buckner Drive, San Jose.

Assemblyman Kirkwood May File For Representative

Assemblyman Robert C. Kirkwood announced today that he was considering running for the office which will be vacated by Anderson.

Kirkwood, state assemblyman for the Los Gatos-Saratoga district, announced that any final decision would have to wait until he has had the opportunity to give the matter further study. "I have been approached by several of my friends on this subject, and I am now considering the matter. Any final decision will have to wait however, until I have made a further study," he said.

Santa Claus To Visit Local Store

Bill Means of Clark's Drug Store announced this week that children of the area will have the chance to meet Santa Claus when he visits the Campbell store tonight between 7 p. m. and 9. Gifts will be available to all children attending.

SUPERVISORS APPROVE FINAL BOUNDARIES FOR INCORPORATION OF CAMPBELL AT TUESDAY HEARING

The County Board of Supervisors approved a final version of the boundaries of the proposed city of Campbell at a special hearing held Tuesday. The supervisors worked out the boundaries following hearings of protestants and proponents of the issue. Virtually all property for which opponents were seeking withdrawal was excluded from the new boundaries.

James Allen, chairman of the Campbell Junior Chamber of Commerce Festival Committee, presents Queen Candidate Beverly Olson with a bracelet in appreciation of her work on the festival while Ken Roberts and Dick Paulin look on. Bracelet is from Verle Grizzle

Areas excluded from the original petition presented to the board included all property north of Campbell Avenue between a point west of Hardy Avenue and the westerly boundaries of Campbell Manor; property west of the former California Street boundary line lying south of the former Budd Avenue boundary line, including Old Orchard, Robin Lane, Emory and Kenneth Avenues; property facing north and south on Rosemary between Eden and Hamilton Avenues; property belonging to Mr. and Mrs. William Lloyd north of Hamilton Avenue and east of San Jose-Los Gatos Road; property lying east of Los Gatos Creek and bounded on the north by Campbell Avenue.

Setting of the date for a special election is being delayed until a decision concerning the length of time necessary between the last hearing and the election date is rendered by County Counsel Campen.

Proponents of incorporation pointed out this week that in its reduced form, the boundaries of the proposed city still represent a population of approximately 7000 persons or more than twice the 3250 population of the area proposed for incorporation in 1948. They also stated that assessed valuation would amount to approximately five million dollars or two-and one-half times the two-million dollar assessed valuation in the 1948 area. The present area is approximately 35 percent larger than the area in the 1948 incorporation attempt.

FIRE DISTRICT ASKS RETURN OF FIRE PROGRAM

Directors of the Campbell Fire District added their voices to that of other county fire districts in protest to action canceling an appropriation of $5200 for the establishment of an office for a county fire prevention program. In a letter Monday to the County Board of Supervisors, the fire district directors asked for reinstatement of funds previously appropriated for a county fire prevention program office.

Action followed a recommendation by County Executive Johann D. Anderson calling for the return of the funds to the general fund of the county.

Applications Made For Completion Of School Projects

Applications for permission to build and for allocation of critical materials for two more Campbell Union School District projects were sent off this week to U. S. Office of education.

The applications covered completion of a shop, a cafeteria, and two music rooms at Campbell Grammar School, clasroom wing completions and a multi purpose room at San Tomas School. Superintendent William C. Henley said it was hoped approval will be received in time to start construction in April of next year. A tentative building schedule calls for completion of these units next Fall.

These are the fourth and fifth projects to get under way on the district building program. Cypress school is now under construction. Bids on Rosemary School will be opened Dec. 18. The district will advertise for bids on Quito school later this month.

Two more projects remain on the schedule—completion of classroom wings and added cafeteria facilities at Moorpark School and construction of a fourth new school—Hamilton.

Sport Scenes

By "Mac"

The Campbell 130 cagers showed promise of great things to come with their first win of the season over Menlo last Tuesday afternoon. The locals, who had come close twice before, were fired up for the contest and played the type of ball which Coach Robinson has been looking for since the start of the season.

Robinson praised the work of the Varsity in the main event and stated that they showed plenty of aggressiveness despite the scoreboard which placed the Bucs on the short end of a 42-33 score. Robinson's only comment on the loss was that his boys looked a little rough in the ball handling department and blamed it on inexperience. He commented that he expects better things to come from the Varsity squad if they continue the same style of play. Probably the biggest factor in the defeat of the locals was the high percentage which Menlo racked up on their free throws with a total of 21 good out of 27 attempts. As usual, Robinson had no comment to make on the coming games with Santa Clara tomorrow afternoon or Santa Cruz Monday on the local courts.

We finally managed to eke out a statement from one of the coaches at the high school gym this week. George Miskulin, grunt and groan mentor, promised to make a forecast on the outcome of the wrestling meet between Los Gatos and Campbell on Jan. 11. But he qualified his promise of forecast by postponing it until the week of the match.

One of the brightest items for George was the showing which a group of his novices made at a tournament down in Gilroy last Saturday. Jerry Horton, 127 pounder, took a medal for second place in the finals as did his co-hort, 165 pound Lloyd Hames. None of the boys had wrestled in competition before and they made their mark after only eight days of practice.

Biggest bugaboo for Miskulin's boys to overcome this year will be their tilt with Fremont. George considers the Indians as the probable SCVAL champs with their squad of nine returning veterans. With more than 50 wrestlers to choose from however, Miskulin might be able to upset the Indian's designs on the league championship.

CAMPBELL FIVE STOPS MORELAND

Basketball teams of Campbell Grammar School came out on top in games with Moreland Tuesday noon. Both "A" and "B" teams won decisively with final scores of 28-15 and 26-15. Marshall James and Freddie Esparza were standouts in the "A" game. Top players for the "B's" were Arthur Duffey and Bob Olmetti.

Bewildered carpenters Charles Cantoni Dave Brewer, Ron Gilpatrick and Ray Budworth wonde rhow they are going to finish their hammering with painters Jackie Davis, Vora Jean Burlingame, Nada Stepovich, Alice Jones and Joan Arnando swarming over the set with their brushes in preparation for the high school presentation of "Why the Chimes Rang," to be presented at the high school Tuesday and Wednesday nights.

Howard Coupland New Owner Of Campbell Pastry

Announcement was made this week that the Campbell Pastry Shop, 54 S. Winchester Road, is now under the new ownership of Howard Coupland, local Campbell resident and the son of Mr. and Mrs. Frank Coupland, Hamilton Avenue.

Coupland, who took over the shop from Mr. and Mrs. Julian Ortez November 13, studied his trade at the San Francisco Junior College bakery school and then served his apprenticeship at the Sir Francis Drake Hotel in San Francisco. A veteran of World War II, Coupland also just finished a seven-months tour of duty in the Navy where he was a baker aboard the U.S.S. Estes. During World War II, he held the rank of Seaman 1c. Coupland, who was born in Campbell, is married to a Seattle girl and is the proud father of two children, Betty, 9, and Danny, 3. Besides his apprenticeship and Navy baking experience, Coupland has worked in the New Washington Hotel in Seattle and recently as a baker in a Stanford University dormitory.

Couplan intends to maintain the same high quality and standards in ahe future as Ortez, who established the Campbell Pastry Shop about four years ago. His plans for the future include the baking of hot chicken pies. He is assisted by his sister, Miss Gertrude Coupland and his wife.

Eastern Star Holds Eighth Annual Installation Of Officers Friday

Evelyn Buck and Earl Buck were installed as matron and patron of the Campbell chapter of the Order of Eastern Star at the eighth annual installation Friday night in the girls' gymnasium of the high school. Host James Arnold opened the installation and past matron and hostes Marie Sues instructed the honorary installing marshalls, Ellen Arnold and Sue Nether, to escort the newly-elected matron and patron to the altar to receive the 1952 officers for their obligation.

Marie Henrichs, 1951 matron, and Joe Agostinho, 1951 patron, gave the obligation to the new officers. Ella Elky, past matron, installed Evelyn Buck into the East.

Decorations for the East were impresively arranged with two large silver bells carrying out the theme of the 1952 matron. A hand painted background of a winter skating scene framed by bowers of evergreens formed an effective winter background.

Little David Buck carried the Bible to the altar while his brother, Richard Buck, followed with the escort of the American flag.

The new worthy matron, Mrs. Earl Buck, was gowned in an original gown of antique blue taffeta set off with scattered sequins. A clever, gracefully flared over-skirt at the waist line draped in exquisite lines. A pale nylon net gathered in square lines around the neck served to frame her face. A fitted shoulder corsage of orchids completed her attire. Mrs. Buck designed her own ensemble for the installation.

A closing ceremony around the altar former a star while the honoree sang a solo, "May the Good Lord Bless and Keep You."

Buffet refreshments followed under the direction of Lillian Leszar and the refreshment committee. Ushers for the ceremonies were Carl Stearns and Mrs. Joseph Feasel. Soloists included Mrs. Schaefle, Mrs. Roy Martin and Sid Barker.

Past grand officers present included past assistant grand matron Mary Finley and past grand patron John Lewis McDonald. Grand officers attending the ceremonies included deputy grand matron for 1952, Mrs. L. Lloyd of Los Gatos Chapter, while 1951 matrons and patrons present were Mrs. E. Murphy and R. Burnett of Jarman Chapter, Mr. and Mrs. R. O. O'Connor of Los Gatos chapter. 1952 matrons and patrons were Mrs. R. Burnett and Mr. E. Murphy of Jarman chapter, Mrs. F. Baird and R. Conklen of San Jose Chapter 31, Mr. and Mrs. F. Henrichs of Starlight chapter of San Jose, Mrs. J. Grofton and William Adair of Sunnyvale, Carrie Stewart and Don Reinoehl of Palo Alto, Mrs. G. Other 1952 officers installed were associate matron Cora Kaufmann, associate patron Wilbur Mitchell, secretary Dorothy Brasch, treasurer Frances Schluter, conductres Jacqueline Harman, chaplain Clara Baldwin, marshall Marie Hendricks, organist Claudine Hancock, Adah, Virginia Howard; Ruth, Eleanor Schaefle; Esther, Marion Parker; Martha, Elizabeth Ribble; Electa, Lee Crichlow; warden, Grace Kirkpatrick; sentinel, Laurence Hendricks, and flag bearer, Joe Agostinho.

Women's Group Has Christmas Party Here

Members of St. Lucy's Women's Club were entertained at a recent meeting with a Christmas program presented by various members. Mrs. Marian Nelson, program chairman, introduced her son, George, who acted as Master of Ceremonies for the event. Miss Sandra Bray entertained the group with a tap dance and Bob Adolpho sang two solos accompanied by Rose Marie Magnasco at the piano. Miss Magnasco also presented several piano solo numbers.

Entertainment was followed by a social hour during which the hostesses served holiday cakes and coffee at a table decorated with red candles and Christmas berries.

The Johnny DeMaria trio furnished music for the "Candy Cane Capers" dance and social evening at St. Lucy's parish house last Friday. The group is planning a similar dance for the spring.

Mrs. BLANCHE WATERS was hostess recently for a luncheon in her new home in San Mateo to a group of friends and former neighbors from Campbell. Mrs. Waters is a former resident of South Winchester road. Attending the luncheon and canasta following were Mesdames Wendel Thomas, R. O. Bayley, George Burrows, L. G. Carbone, C. H. Davidson, J. T. CAMPBELL HIGH GIRLS GET JOBS THROUGH BUREAU

More than thirty Campbell high school girls were placed in temporary jobs in San Jose stores over the Christmas season through the high school job placement program, Director George Kemp announced this week. Applicants were selected on the basis of tests, interviews and school records.

A mathematics test eliminated the bottom 50 per cent of students over sixteen years of age who were eligible for jobs. Interviews and school records including citizenship records, attendance, and scholastic records further eliminated applicants.

Spartans Face S. F. State Tonight

San Jose State's hustling Spartans, unbeaten in three starts, face two more basketball hurdles this week meeting Kevin Duggan and San Francisco State Friday night and the traveling Utah State quintet Saturday.

Both games are at Spartan Gym and start at 8:15 p. m. The freshmen-manned Spartan junior varsity meets Menlo J. C. and San Francisco State J. V.'s in preliminaries.

Coach Walt McPherson's Spartans who may have been underrated in pre-season estimates, capped their three-game streak Saturday night in Fresno damping Fresno State, 72-58, with comparative ease.

An aggressive backboard game coupled with speedy ball handling and excellent shooting made the Spartans quite impressive at Fresno. In the middle 20 minutes of the test, San Jose dumped in 55 points, a tremendous production for the Golden Raiders' ball control style.

Lanky Lee Jensen, a junior forward paced the firing with 21 points. He hit 10 field goals in 17 shots and counted on tips, hooks, set shots and jump shots. In all, the Spartans bucketed 28 of 75 shots for a 37.3 percentage. The Spartans were also helped by sinking 16 of 18 free throws.

A healthy situation, from McPherson's viewpoint, is the fairly even spread in Spartan scoring after three games. Jensen's 21 points give him 38 for a 12.7 average. He has hit on 47 per cent of his field attempts.

The Spartans will be strengthened this week by the addition of several candidates from the football squad, including Stan Wacholz, Jerry Perich and Bob Amaral. Wacholz is expected to step right in to provide reserve strength behind George Clark at center.

Pundita Circle Enjoys Party

Members of the Pundita Circle of Campbell enjoyed a Christmas party at the new Burrows Road home of Mrs. C. C. Kirsher Wednesday afternoon. Those attending spent the afternoon playing bridge and canasta. Refreshments were served by the hostess, Mrs. Kirsher, assisted by Mesdames Melvin Smith and C. H. Davidson.

Guest of honor was Mrs. Harry Larmour, president of the Santa Clara County Federated Women's Clubs.

Christmas gifts and favors were exchanged by members during the afternoon.

Plans For Christmas Fete

The Campbell Methodist Church will celebrate Christmas at a church family night on Dec. 20 at 7:30 p. m. An inspiring play, "Christmas Under the Stars," under the direction of Mrs. James Barnett, will be presented by the Senior Methodist Youth Fellowship. The Junior choir, a choral verse choir, community carol singing, and other features will be part of the evening for the whole family.

On Sunday evening, Dec. 23 at 7:30, the church will hold a Christmas Music Festival. Lydia Boothby, outstanding Northern-California harpist, Gloria Surian and Paul Jamaica from San Jose State College, and local artists Art and Judy Huff, Evelyn Buck, and Sidney Barker will support the Senior Choir in a program of Christmas and beautiful church music.

A Christmas Eve service at 11:00 p. m. will be held in the Campbell Methodist Church. This will be a candlelight and carol service, with special Christmas music.

Drama Department Takes Over Part Of School Program

The drama department, under the experienced direction of Ken Wallace, will take over the stage to present one of the most famous Christmas plays ever written... "Why the Chimes Rang," as part of Campbell High School's Christmas program. Full of dramatic suspense from its spine-tingling opening to its colorful and smashing climax, the play has been partly rewritten by Wallace to bring its powerful message completely up to date and convince even the most skeptical that a way out of today's sorrows and turmoil was born 1951 years ago this coming December 25.

"Why The Chimes Rang," is the story of a beautiful church built so long ago that no man living can remember its architect ... with a steeple so high, its chimes are lost in the limitless sky. And every year the people of the country come to this great church to lay on the altar their gift to the Christ child. For everyone knows, that when the perfect gift is found, the chimes, which no man has ever seen, will ring out the message that at last the perfect gift has been given. And on this night in Tralsun, the rich and the poor flock to the church, yes even the king himself has come to place a gift on the altar. Only two in the whole land are not there ... a young boy and an old woman. As they look out the window of their miserable hut to the splendid church, the lights suddenly seem to come closer and closer to them. Soon, they find they, too, are inside the church itself. But what gift have they to present? Then they know! And as they approach the altar, the angels sing, and the music sounds ... then all is hushed, as the great crowd listens to see if this last gift is the perfect gift to ring the heavenly chimes.

Buc Cagers Split With Menlo Five

A strong Menlo cage team dumped the Buccaneer squad on the Menlo courts 42-33 last Tuesday afternoon. The Bucs trailed by a slight 8-6 margin at the end of the first quarter but the Menlo squad caught fire in the second period to rack up a 10 point lead which they held for the remainder of the contest. Strongest department for the victors was revealed in their accuracy wit hfree throws as they tallied 21 out of 27 attempts. Scott, center for the Menlo cagers garnered game honors with a total of 16 points while Buc high point man was Harris with 10 digits.

The Buc 30's saw the light of their first victory of the season when they downed their opponents 38-28 in the preliminary. The locals took an early lead and held it until a come back by the Menlo squad threatened to narrow a 3 point lead in the third period. Cage Mentor Bert Robinson stopped the threat by substituting fresh reserves to sew up the contest.

High point man for the game was Campbell forward Kelly with 10 tallies while Lowden of Menlo led his team with a total of 7.

Children To Be Baptized Sunday

Rev. Corwin C. Olds of the Campbell Congregational Church announced that this Sunday there would be baptism of children and the reception of new members into the church. Plans are also under way for the Christmas Sunday School program and Christmas Eve service.

Charles Cantoni explains the complicated lighting system in "Why the Chimes Rang," high school program to be presented next Tuesday and Wednesday nights, to Harold Shumway, Jerry Johnstone, Dave Brewer, Ray Ames and Ray Budworth while pesimistic George Nelson holds emergency lighting in case the fuses blow out.

CREW OF HIGH SCHOOL PLAY NUMBERS 25

The massive and spectacular staging of the "Chimes" requires a crew of twenty five as compared to a cast of only ten. The play, will be presented Tuesday and Wednesday night by Campbell High School.

The highly important work of scenery design and art creation has been notably achieved by the talented cooperation of Alice Jones, Jackie Davis, Vora Jean Burlingame, Betty Bolton, Joan Arnado and Nada Stepovich. These girls abandoned over thirty ideas before becoming satisfied with the eventual stage setting. The dramatic requirements of the play demanded much of the stage designers, and the full dramatic value of the play could not have been achieved without the talents of these girls.

The hammer and saw boys were faced with construction problems that could have sent a college engineering graduate out of his mind. A complete church had to be built to blend into a small peasant cottage. But the boys who doggedly stuck to the task and met with no small degree of success were Tom Hitchman, Ron Gilpatrick, Chirlie Cantoni, Dave Brewer, Ray Budworth and Ray Ames.

The task of devising the sound of heavenly chimes and combining them with equally heavenly music fell to Elaine Smith, Ron Gilpatrick and Don Thompson. A result that would do credit to a network radio show will be evidenced in next week's performance.

The painstaking search for such properties as a real pearl necklace and medieval coronation sword was carried on with brilliant success by property girls Noreen French and Nora Stewart.

The skillful fingers of Miss Miller's sewing class provided the authentic middle age costumes worn by all members of the cast.

Mrs. Winston, school art teacher, masterly controlled the staging color scheme to fit moods to color.

Christmas Choir Program Planned

Choir members of the Methodist Church are planning a Christmas choral program to be presented at the church Sunday, December 23 at 8 o'clock. The program, which is open to the public, will have Gloria Surian and Paul Collins of San Jose State College as their central soloists with Mrs. Lydia Boothby of the college faculty playing harp solos and also accompanying Mis Surian in her solo numbers, Miss Surian and Mr. Collins will also sing several duets.

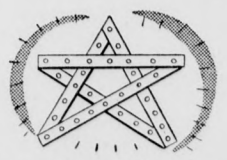
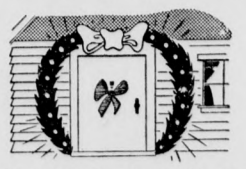
Our block is bright with Christmas cheer
...we're all using outdoor lighting!



One of our neighbors started out with a large lighted star for the roof of his house. Star can be shaped from composition board or metal. Holes drilled for the bulbs finish it off!



One of the best in our block is a big wreath that frames the front door. Greens can be woven into common poultry mesh with red outdoor lights for berries. It's easy and Christmas bright!

Another family in our block is using one of the simplest . . . but most effective outdoor lighting plans. They bought a string of outdoor lights and dressed up a large bush in their yard.

See your local appliance dealer for new and inexpensive Christmas lighting ideas!

Outdoor lighting costs only pennies a night to use because electricity is so cheap in California! P. G. and E. rates are far below the U. S. average!

Miss LAURA GORDON celebrated her tenth birthday Wednesday, December 12, with a dinner party at the home of her parents, Mr. and Mrs. RICHARD GORDON on Jane Anne Way. Nine of her friends gathered in the early evening to wish her a Happy Birthday. Guests included PATTI and RICKY BARRETT of Saratoga, DIANNE NELSON, GAIL COE, GAYLE FOREMAN, BARBARA STORY, NANCY RICE, RUTH WILLIAMSON and DONNA WILLIAMS.

According to word received by his parents, Mr. and Mrs. FRANK COUPLAND of Hamilton Way, Chief Petty Officer and Mrs. ELDRID COUPLAN has received his transfer papers to some place on the east coast. Coupland has been stationed at the Corpus Christi base in Texas.

Thirteen members of the Cha-Ki-Ya Campfire Group enjoyed an evening of skating Friday, December 7, at the San Jose Rollerland. The group was part of the county-wide Camp Fire Skating party. Mrs. RICHARD GORDON is guardian of the Campbell group.

Mr. and Mrs. HAROLD NOBLE of Pollard Rd. have as their guests for a few days, Mrs. Noble's parents, Mr. and Mrs. L. R. RUSSELL of West Point, California.

PFC HERMAN RICE of the U. S. Marine Corps and two of his friends recently enjoyed a four-day furlough with Rice's parents, Mr. and Mrs. H. Y. Rice of Winchester road. With Rice were Cpl. GEORGE SNYDER and Sgt. CLIFFORD MYERS, all of El Toro Marine base. The trio hope to return for the Christmas holidays. Herman has been a member of the Marines since February.

Thirty-eight members of the Ada Rebekah Lodge chartered a bus Wednesday, December 5 for a trip to San Mateo where they were guests of the Rebekah lodge there as part of the Good Fellowship movement. Mrs. BONNIE SILBERBAUER served as chairman for the trip assisted by Mrs. H. Y. Rice.

Cub Pack 30 members, San Tomas are planning on holding their regular monthly meeting and Christmas party December 19 at the San Tomas school. At that time each member will present the gift and scrap book which he has prepared to be given to sick children in the local hospitals.

Mr. and Mrs. HENRY C. STONER, 12 S. 2nd street, returned recently from a two weeks auto tour of Idaho, Utah, Nevada and Arizona. Accompanied by their children ALDINE and JIMMY they drove to Twin Falls, Idaho where they picked up Mr. Stoner's parents, Mr. and Mrs. George R. Stoner for the rest of the trip. The tourists visited in Salt Lake City where they saw the capitol building and the temple grounds before driving on to Grand Canyon.

On the way the children enjoyed sledding in the six inches of snow which fell during their trip. Two days were spent on the south rim of the Grand Canyon before driving on to Boulder Dam and Boulder City, thence to Las Vegas and Los Angeles where they left the elder Stoners before returning home at the close of a very enjoyable trip.

A welcome visitor last Saturday at the home of Mr. and Mrs. H. Y. RICE was Mr. LEO R. SOLLENBARGER of Denver, Colo. Mr. Sollenbarger, who was in San Francisco on business, is the husband of a very dear friend of Mrs. Rice's.

Mr. and Mrs. G. A. ROBILLARD of Vineland Avenue have as their guests during the Christmas season their daughter and son-in-law, Mr. and Mrs. GEORGE KIRBY and granddaughter, CYNTHIA of Rochester, N. Y. With them also on the trip is Mr. Kirby's father, Mr. D. P. KIRBY. The Kirby's plan to return home around the first of January.

Peasant boy, Jerry Williams, pleads with narrow-minded Jim Shepherdson and selfish Harold Bryan to let cold, old woman Anne stay a while by the fire in a secene from the high school production of "Why The Chimes Rang," to be presented Tuesday and Wednesday nights.

Cast Is Well Rehearsed For High School Play

Under the efficient direction of veteran showman, Ken Wallace, an enthusiastic cast has been busily rehearsing day and night to put life and realism into their performance of "Why the Chimes Rang," part of the program presented by Campbell Union High school Tuesday and Wednesday night. Every line and every movement must be done perfectly to bring this play to its proper dramatic and spectacular climax, and long rehearsals are the order of the day.

Harold Bryan, a sophomore, skillfully plays the part of a selfish boy who constantly prays for a miracle, but refuses to believe when one finally appears.

Jim Shepherdson, popular high school jazz band leader, drops his baton to asume the role of a well-meaning, but stupid peasant who almost destroys a human life in his blind search for happiness.

Anne Gullison, talented junior, superbly achieves the character of an old woman who tries to convince a stubborn humanity that miracles don't happen—they are caused.

Jerry Williams, also a junior, takes to the stage with his excellent dramatic interpretation of a boy who must make a terrible decision, and has no where to go for an answer, but to his heart.

In the spectacular church scene, Dick Gleed, football star, dons the robe of the priest; Campbell High newcomer, Nora Stewart, realistically plays the part of a woman of wealth; Bob Dalzell, school radio expert, royally acts the part of the king; Harold De Bois acquires age and wisdom to magnificently become the scholar of the show, and Carol Schrader, in her stage debut, wears the rags of a poor, but Christian girl. Bob Cook, the swoon crooner, turns his attention to the role of a wealthy merchant.

Music Department To Present First Part Of Program

The music department under the skilled leadership of Frank Triena will set the Christmas mood in the Campbell high school Christmas program Tuesday and Wednesday night as only music artfully executed can do. Seventy-two instrumentalists (largest high school orchestra in Santa Clara County) will open the program with all the music intimately connected with the Christmas day... "Christmas Fantasy," "A Mighty Fortress Is Our God," and Handel's "Hallelujah Chorus." Then to the ever favorite, "Oh, Come All Ye Faithful," the prize winning Campbell High school a capella choir, robed in blue, will enter the auditorium in the now traditional procesional; and in candle light beauty will sing the always loved "Ye Watchers and Ye Holy Ones," "Lost In The Night," "Wassail Song," "Angels We Have Heard On High," and "Go Tell It To The Mountain."

After the choir selections, the Campbell High Mixed Chorus, comparatively new this year, but veterans of many outside singing engagements, will sing such Christmas favorites as "I Wonder As I Wander," "Bring a Torch, Jeanette Isabella," "What Can This Mean?" "Cherubim Song," and "Silent Night."

KIWANIS HEAR TALK BY LOCAL AGRICULTURIST

Henry Stoner of Stoner Agricultural Laboratories in Campbell, spoke before members of the Campbell Kiwanis Tuesday noon on various methods of tree and plant analysis. He told the group of the work his organization is doing in determining whether or not certain types of trees are receiving the proper kind of fertilizer. He demonstrated his talk with pictures of trees which had received the wrong kind of treatment and in some cases, showed pictures of the same trees after a year of proper treatment and proper fertilizer. He stated that the quickest and best method to tell the deficiencies of a plant was to make a quantitative analysis of the leaves.

Next Tuesday, the group will hear a performance by members of the Campbell High school chorus.

DON McNEILL, radio and TV star, in L.A.—"Women are eager to do their husband's bidding—at the bridge table."

FLUORIDATION IS EXPLAINED TO MEMBERS OF CAMPBELL ROTARY

Dr. Theodore N. Engdahl, San Jose dentist, spoke in favor of the fluoridation of public drinking water before members of the Campbell Rotary Club meeting Monday noon. Engdahl cited high sugar content diets as one of the major causes of tooth decay and suggested water fluoridation as a posible solution to the dental problem. He emphasized the fact that fluoridation is effective only during the first three years after the formation of teeth and after that period, benefits are negligible.

Principal benefit of water fluoridation," he said, "is the increasing of the density of tooth enamel during the formative period." He told his audience that concentrations of from one to two percent reduced tooth decay approximately 60 percent. Effects of over-concentration showed up as dark spots on the surface of the teeth and in extreme cases of concentration of 13 percent or more, brittleness of the body bones was possible.

The effects of water fluoridation were first discovered in areas where a certain concentration of the substance was found in the natural form in drinking water. Cost per person for artificial fluoridation of water would amount to between five and thirty cents a year based on figures taken by a recent survey by the city of San Jose.

Engdahl suggested the use of ammoniated tooth powders to combat acid action of a high sugar content diet. He explained that the ammoniated tooth preparations act as a neutralizer on the acids formed.

Emanuel Pearl, public health engineer and director of sanitation for the county health department, informed members of the club that the Campbell Water Co. was considered to be one of the best water service companies in the state in proper maintenance of equipment and service. He stated that the Campbell company was the first utility in the county to register for operational permits under the new law requiring re-registration of public utilities.

Members of the club were reminded of the Family Christmas party to be held December 19 at 7 p. m. in the Country Woman's clubhouse. Party will feature a turkey dinner, Christmas tree, movies and a visit from Santa Claus.

An announcement was made that no meeting of the club would be held next Monday. A round-table for visiting Rotarians will be held, however.

SERVICES HELD

Final rites were held Wednesday afternoon at Krug Memorial Chapel for Jack Elvin Peterson, 22, who pased away Monday. Interment was held at Oak Hill Memorial Park.

Peterson is survived by his widow, Marie of Santa Clara, his daughter Pamela, and son Mark; his parents, Mr. and Mrs. Jake Peterson of San Jose; a sister, Laura Belle Peterson; grandparents, Mr. and Mrs. M. P. Peterson, of Campbell, and Mr. and Mrs. Guy McCannon of San Jose.

Last Rites Held For Gibbons Child Tuesday

Last rites were held Tuesday for Gertrude Irene Gibbons, infant daughter of Mr. and Mrs. Berrill Gibbons of Audrey Ave. from Rutherford Funeral Home. Interment was at Santa Clara City Cemetery.

The child was the sister of George, Bert, Irene, Bonny Sue, Alice Jean, Tommy, and Jimmy; granddaughter of Mrs. Jess Woodard of Illinois and Mr. and Mrs. Melvin Pettigrew of Mo.; and niece of Mr. and Mrs. Melvin Woodard of San Jose.

Reasons For Selecting Play

In disscusing why he chose "Why the Chimes Rang" for this years Christmas production, Mr. Wallace, drama director at Campbell High School, explained, "This play is done annually by over three thousand dramatic groups, schools and colleges throughout the country every year. And the reason it's so popular is because it tells such a simple message in such a dramatic manner. It gives full license to the imagination to combine lights, scenery, sound, and action to put across a very basic idea. This idea is, that miracles don't happen, they are caused. Or, to put it more simply, the power of love is the greatest force mankind has ever had.
